

Monitoring progress

One way to judge your child's progress is to keep a record of their development. Keep a log of new words that they use and try to use those words yourself to reinforce them. If there is a certain word you think your child should know, have a "word" of the week and try and use it as often as possible in the right context.

Week	New words Used	"Word" of The week
Week 1		
Week 2		
Week 3		
Week 4		
Week 5		
Week 6
